Effective Date: 3/12/2007

Category: Subdivision/Property

STATE OF WISCONSIN

TOWN OF LAGRANGE

WALWORTH COUNTY

ORDINANCE NO. 2007-02

AN ORDINANCE TO AUTHORIZE VARIANCES TO THE NUMBER OF DRIVEWAYS

WHEREAS, the Town of LaGrange Ordinance entitled "Ordinance in re Proposed Town Roads and Establishing Driveway Specifications," prohibits any more than one driveway access to a roadway in the Town,

The Town Board hereby enacts this Ordinance amending the Ordinance in re Proposed Town Roads and Establishing Driveway Specifications, as follows:

Section 1. Variances Allowed. Upon application by a property owner the Town Board may grant variances to the limitation of the number of driveway access points. In considering such application the Town Board may consider such factors as sight distance for oncoming traffic, the distance between other driveways, stormwater drainage and such other factors that the Town Board considers relevant in the circumstances. The Town Board may impose conditions and limitations in granting a variance.

Section 2. Ordinance Remains the Same. All other parts of the Ordinance in re Proposed Town Roads and Establishing Driveway Specifications shall remain the same.

Adopted on motion of Supervisor Lohrmann, seconded by Supervisor Schramm on the 12th day of March, 2007.
